Mr. Ochsner,

Nathan Ochsner, Clerk of Court

Per my discussion today with the CM/ECF support desk, I am enclosing the notices of withdrawal my prior firm filed in four cases that were pending when I left the firm on October 31, 2024.

I understand that an additional step needs to be taken by your staff to formally terminate my appearances in these cases.

As I am currently receiving return-to-sender BNC mailings (by the bucket-load!) at my home (due to user error on my part when I updated my PACER account, I am sure) I would really appreciate updating the CM/ECF records so that I am no longer showing as an active representative of the debtors in those cases.

Importantly, soon after leaving my prior firm, I began clerking for Judge Michael B. Slade in the Northern District of Illinois, therefore it is particularly important that the withdrawals be **effective as of October 31, 2024**. As you can imagine, it would not be good if it looked like my representation continued while my clerkship began. (Many apologies if that creates additional difficulties in effectuating the terminations.)

Please do not hesitate to reach out if you need anything further from me. I can be reached via cell (917-596-3358) or my personal email (rbctwo@gmail.com).

Very much appreciated,

Rebecca Chaulk
